years of  
committed service.

## **Message from the Director**

---

At Kalayatan Cargo we always strive hard to ensure customer satisfaction. Kalayatan represents a symbiotic combination of Elegance and Hard work. It represents the additional dimension in whatever we do. It's the additional mile we walk to meet your requirements, it's the additional care we take to deliver your goods, it's the additional efforts we take to understand your business to serve you better. We are a progressive organisation and we believe in striving continuously to improve our processes and operational efficiency.

# About Us

---

Kalayatan Cargo was founded in 1974 as a courier company in Nasik by Mr. Kailash Rawat. His vision to grow and make a mark in the industry lead the company in cargo services in 1994. Since then the company has made great progress in its services and network. We now provide total transport solutions for the Western Industrial belt of Maharashtra and Gujarat and will continue to add more areas and services under our belt in the future. We have a fleet of pack body vehicles specially designed to provide safe transportation to our client's goods.

## More About Us:

- Managing over 1500 consignments per day
- Client Base of over 5000 in Small, Medium and Large scale industries
- Our major clients include companies like Glaxo SmithKline L&T, Mylan Laboratories, Havells India, etc.
- Dedicated fleet of vehicles that ensures safety of material
- Ever increasing team of 150 plus dedicated employees
- To go Pan India by 2020

# Mission of the company

---

To provide seamless connectivity and logistics services to industry and commerce.

# Vision

---

- Become a top player in the logistics industry in India. We see ourselves amongst the top service providers of logistics and allied services
- Be prompt in understanding changing Industry needs and be a market leader in providing value-based Logistics services
- Carve out a niche for ourselves on the basis of best practises and top notch service quality
- Cultivate a culture of mutual trust and growth for the benefit of all stakeholders of the company

# Values

---

## Commitment

We believe in fulfilling our commitment to our stakeholders

## Transparency

We believe in total transparency in dealings with all our stakeholders

## Artistic Hardwork

We believe in striking the perfect blend of art and hardwork

## Continuous Improvement

We believe improvement is a continuous process and we strive to get better every day

## Employee Welfare

We believe our greatest assets are our employees and we strive towards their growth, development and satisfaction

# Value Added Services

---

## Customised Packaging:

We Provide customised packaging services as per client requirements

## Express Deliveries:

We provide express deliveries at premium rates for high priority consignments

# Service Offerings

---

## Warehousing

We provide best in class warehouse services to our clients ranging across industries. Our warehouses are located at strategic locations and provide easy connectivity to major Industrial areas.

## E-commerce Logistics

We provide first mile, line haul and last mile deliveries for the e-commerce sector
